Andy,

My apologies for that oversight. It was inadvertent, I assure you.

Doug:

Mr. Beshore's letter is not quite accurate when it says all counsel have stated they have no objection. I was out of the office yesterday, did not see the request for non-objection until this morning, and so did not respond. However, Board Staff does not object to this extension. We do note that this new deadline of October 8 is the day before the hearing would have been held if it had gone forward.
