PADC motion to strike certain Board Staff rebuttal testimony

TO: Interested Parties

FROM: Robert N. Barley
Chairman

Board Staff filed rebuttal testimony and exhibits on August 23, 2019. On August 27, 2019, the Pennsylvania Association of Dairy Cooperatives (“PADC”) filed a motion to strike portions of the Board Staff testimony.

The General Rules of Administrative Practice and Procedure provide that participants shall have 10 days within which to answer or object to a motion unless the time period is otherwise fixed by the agency head.

Surrebuttal testimony and exhibits will be filed in response to the rebuttal submissions. The Board’s decision on PADC’s motion will determine the scope of the surrebuttal submissions. To allow adequate time for the parties to prepare surrebuttal testimony, the Board believes it is important to rule on PADC’s motion as soon as practicable.

Based on the above, the Board hereby orders that responses to PADC’s motion be filed by 2:00 pm on August 30, 2019.
