

**PENNSYLVANIA MILK MARKETING BOARD**  
**PROPOSED AMENDMENTS TO 7 PA. CODE CHAPTER 150**

**GENERAL PROVISIONS**

\*\*\*\*\*

**§ 150.3. [Reserved].** ~~Classification of licenses—statement of policy.~~

~~It is the policy of the Board to establish a license classification system that reflects the changes occurring in the market conditions and business characteristics of the dairy industry. The Board anticipates implementation of changes in the license classification system that will go into effect during the license year 2001—2002. The Board's proposed changes will eliminate the license classifications of importing retailer, importing distributor, broker, receiving station and subdealer store. In order to reduce the administrative burden of calculating and refunding license fees during the license year to those entities that will not be required to be licensed under the new license classification system, it is the Board's intent to notify those entities currently licensed as an importing retailer, importing distributor, broker, receiving station or subdealer store that they are not required to complete and file a license application for the license year 2001—2002 and any succeeding license years.~~

**LICENSE FEES OF MILK DEALERS**
